

TREASURE HUNT

RULEBOOK:

1. A team can have a maximum of 6 members.
2. To open the treasure box, you have to decode its password, which is assisted by clues placed on locations marked on the map. The map will be provided at the starting point on the WhatsApp group.
3. At the starting point, the very first clue for the next place will be sent to the WhatsApp group. Make sure your team leader is added to the WhatsApp group.
4. Once your team decodes the clue correctly and reaches the corresponding place marked on the map, you will get a clue there, cracking which, will direct you to the next checkpoint. The sequence is important.
5. All group members should reach every checkpoint together and their team leader has to take a group selfie at every checkpoint.
6. The group which decodes the password of the treasure box first and has all the selfies on every corresponding check-points with his/her team will be the winner. The treasure box will be awarded to that team only.
7. The teams would be kept over an eye by treasure hunt volunteers. Any misconduct during the treasure hunt will lead to the immediate disqualification of the miscreant team without fail and without listening to any of their excuses. So, it is requested and expected from all of you that you will be a part of this event and play it with utmost honesty.
8. In case of any conflict, the decision of the organizing team is considered to be final.
9. For any query, the team leader can post it on the WhatsApp group. Remember that only genuine queries will be entertained.
10. A treasure box will be awarded to the winning team.
